TORRANCE SCHOOL NOTES

Mr. J. B. Monlux, deputy superin-tendent of the Los Angeles City Schools, made his annual visit of inspection of the Torrance Schools last Tuesday. He reported to Mr. Barnette, principal, that he was well pleased with the teacher's work and found everything up to standard of the city system.

The "Hot Dog Roast" given by the student body of the high school last Friday evening was a decided suc-cess. The teachers were guests and the Student Body proved to be ex-celent hostess and hosts. They played games around the bon-fire and later returned to one of the bungalows and enjoyed games. Ev-eryone reported an excellent time.

Mr. Lewis the district foreman has started moving the apparatus and bungalows preparatory to the erection of the new building. It now seems certain that the new elementary building will be com-pleted before next September first so that school may open in the fall without half-day sessions.

Mrs. Susan M. Dorsey, superin-tendent of the Los Angeles City schools was in Torrance Tuesday of this week to learn of the needs of our High School. The building promised us two years ago does not meet our present needs, as the schools have grown by leaps and bounds. Mrs. Dorsey has promised to do all that is possible to relieve the situation.

Mrs. J. R. Smith entertained at an informal card party Thursday evening. Those present were Mrs. May McKinley, Mrs. Barnette and Mrs. McManus.

NO MEETING OF C. OF C.

There will be no meeting of the Chamber of Commerce next Monday night on account of the Chautauqua. Announcements of the next meeting will be made in the Enterprise, April 22.

U. T. TEAM WINS PENNANT

SATURDAY, April 9.—The Union Tool Company Base Ball Club won the pennant and a handsomely en-graved cup trophies of the Suburban League today when they defeated the speedy Pacific Redi-Cut Club at the White Sox Ball Park, Los Angeles, the final score being 12 and 7.

Before this game and at the close of the Suburban League season, the Redi-Cut team was one-half game in the lead with one game to play, with their close second and the hardest playing bunch of ball play-ers in semi-pro ball—the U. T. Co. Each team knew it had to play base-ball to win this last game and each was duly strengthened in accord thereto. The best players in the Suburban League were there in either a Redi-Cut or U. T. uniform. The fans from Torrance were out in force and outnumbered, the house-building rosters by at least four to one and we compliment Torrance on having such a goodly gang of loyal supporters. So far as the game is concerned we are compelled to say that we have seen better games on the local lot. Our readers will read-ily understand that when they glance at the score. The U. Tees went to bat first and immediately score three runs when Lowey play-ing first for the Toolmakers with two on, smacked a hot one down the first-base line and into the tall tim-othy in right field. It was neces-sary to call out the police and then organize passes in order to find the ball. Of course Lowey trotted around for a homer on what other-wise would have been a scratch hit. The fans laid back and decided the game was over, thinking that would be the end of the excitement. They were wrong, however. The Redi-Cuts did nothing in their half of the first. And in the second, Beck scored on Kelley, hit, and they sent in another chucker. Too, at this point the umpire was called out or resign-ed vehemently. Then the Redi-Cuts brought in a man when their first man up hit for two sacks, the third man sending a long fly to center, which would have been easy for Ar-nold had he not done a Kellerman in the long grass. This bingle went for three bases. The U. T. put across three more runs in the fourth on four hits. A balk, which re-sulted in a long drawn out argu-ment, was the cause for Kelly's arm going lame during the inactivity, while the discussion went on, and let them bat him all over the lot in their half of the fourth. Hit, hit, hit, score, score, score—5 scores. Barnett went to the mound and pitched a wonderful game and al-

lowed them to garner only three scattered hits. There was no stop-ping the U. T. gang. They hit, they waited and walked, they bunted, they stole bases, and they scored at will. It was like a big league team playing with the rawest of bushers. At any rate everybody is pleased that the U. Tees carried off the cup.

CENTRAL CHURCH

Central Evangelical church en-joyed a large attendance at the Sunday school and all services were marked by interest and helpfulness. Mr. Northrup led the prayer meet-ing Wednesday evening in a way that inspired all to highest Christ-ian ideals and fellow happiness. The Young People's Alliance held a meeting at the home of the pres-ident, Mrs. P. G. Briney Tuesday afternoon which was constructive in the subjects passed upon and new impetus will be given to the society. The fourth quarterly con-ference of Central Church was held Thursday evening. The superin-tendent of Los Angeles District con-ducted the business. The reports show marked progress in the work of this new congregation. Mr. and Mrs. E. L. Weatherwax were in Long Beach Thursday. Mr. Weather-wax was looking after some in-terests of the new work there and Mrs. Weatherwax attended the la-dies aid meeting of the Long Beach church.

ANOTHER LEGION DANCE

At the regular meeting of Tor-rance Post No. 170, American Le-gion, April 13, plans were made for another of those good-time dances. This dancing party will be held in the Ironton Hotel Restaurant, which has been kindly donated by A. W. Meinzer, on Saturday evening, May 7. Tickets can be had from any member of Torrance Post.

The committee in charge of this affair promise a better floor, a nice crowd, and a good time. So far plans are for only an informal af-fair, that is, one at which guests may wear their old clothes, meet their old friends and many new ones. Do not forget the date—May 7. Nor the place—Meinzer's Restaurant, Hotel Ironton. Come and bring both your best girls.

At the above mentioned meeting the members present were privileged to make and renew the acquaintance of Mr. N. F. Jamieson, late Major U.S.A., who has been recently re-turned from many and varied duties in France and Germany, with the A.E.F. Mr. N. F. Jamieson gave a very interesting talk on the griefs and joys of being a member of the army of occupation in Ger-many, Austria Hungary and other countries with which we were recently engaged in unpleasant com-bat. And we must say that every word was listened to and enjoyed by those present.
